

CALENDAR OF OPEN ENROLMENT AND SPONSORED PROGRAMME (APRIL 2018 TO MARCH 2019)

Continuing Education Programme

Continuing Education programme (CEP) is an outreach initiative of Indian Institute of Technology Delhi (IIT Delhi).

These outreach programmes offered by the Indian Institute of Technology Delhi which are designed to cater to the training and development needs of various organizations, engineers, planners, technology forecasters, technology developers, management thinkers and corporate leaders.

“It is imperative to invest in training and development to compete and sustain successfully in today’s constantly changing global environment.”

Training and development programmes are all pervasive, irrespective of the types of Industry, market segment or the field and specialization of the professional.

Why CEP @ IITD

1. Internationally proclaimed, well-qualified and highly competent faculty with a tremendous and remarkable industry expertise.
2. Faculty has contributed to policy formulations at high level committees of Government of India (GOI) and has served on boards of numerous corporates.
3. World class IT infrastructure with a very high computer to student ratio, a rich software repository that facilitates computer aided instructions and enables hands on experience on leading business enterprises
4. The faculty of IIT Delhi has also enacted as consultants for varied Industries and prodigious MNCs.
5. Integrated colossal research orientation of IIT Delhi, enables to customize course objectives, design and content to achieve the desired goals of training and development of an individual and Organization at large.
6. CEP helps to provide highly efficient, productive, capable, intellectual and skilled manpower which will have a better understanding of the processes, procedures, hierarchy of the organization and are able to adjust to the micro and macro environmental changes to achieve the integrated targets, objectives and goals of the Organization.

Programme Title	Programme Coordinator/s	Programme Dates	Fees (INR) (inclusive of GST)
MedImg: 4th Annual Workshop on Medical Imaging Techniques, Post processing and Clinical Applications	Prof. Amit Mehndiratta Prof. Anup Singh	April 13 th to April 16 th 2018	Students & Faculty/ Professionals : 6,000/- and 15,000/-
Certificate Course in Business Management (Focus: Digital Marketing)	Prof. Harish Chaudhary	May 19 th to July 22 nd 2018	90,000/-
