

QIP-CEP Workshop on Experimental & Empirical Methods in Linguistics
9th July - 15th July 2017
IIT Delhi

The HSS Linguistics Unit at IIT Delhi will organize a 7-day workshop on ‘Experimental & Empirical Methods in Linguistics’ from 9th July to 15th July 2017. The workshop aims to introduce participants with methods and tools used in experimental and corpus/computational linguistics. The workshop will be a combination of talks and lab sessions. Talks will provide an opportunity to learn about some current trends in psycho/neuro-linguistics, computational linguistics and cognitive science. Lab sessions will familiarize the participants with R programming, experiment design, data analysis and corpus linguistics.

Speakers/Instructors

[Sumeet Agarwal](#) (EE, Indian Institute of Technology Delhi)

[Kamal Chaudhary](#) (HSS, Indian Institute of Technology Ropar)

[Varun Dutt](#) (SCEE/HSS, Indian Institute of Technology Mandi)

[Indranil Dutta](#) (CL, English and Foreign Languages University Hyderabad)

[Samar Husain](#) (HSS, Indian Institute of Technology Delhi)

[RajaKrishnan RajKumar](#) (HSS, Indian Institute of Technology Delhi)

[Anil Kumar Singh](#) (CS, Indian Institute of Technology BHU)

[Ashwini Vaidya](#) (EE, Indian Institute of Technology Delhi)

[Eva Wittenberg](#) (Linguistics, University of California, San Diego)

Salient features of the workshop

1. Lab sessions on how to design and run a psycholinguistic experiment.
2. Lab sessions on data analysis of different types of experimental data (e.g. grammaticality judgement, reaction time, eye-tracking data, etc.). We will use R to do all the analysis.
3. Lab sessions on basics of corpus linguistics using NLTK.
4. Lectures on some current trends in psycholinguistics, neurolinguistics, computational linguistics and cognitive science.
5. Participants will be provided a certificate after successful completion of the workshop.

Registration Fee:

Student	6000
Faculty (Institutes NOT under QIP)	11000
Faculty (Institutes under QIP)	0

QIP seats are limited and seats will be allotted on a first-cum-first-serve basis. A list of QIP institutes [can be found here](#).

For more details on the registration procedure see <https://sites.google.com/view/eel-iitd-2017/registration>

Important Dates:

Last date for registration: 17th May 2017 (or until seats last)

Start of workshop: 9th July 2017

End of workshop: 15th July 2017
