

CONTINUING EDUCATION PROGRAMME

SUMMER FACULTY RESEARCH FELLOW PROGRAMME - 2017

AT IIT DELHI

IIT Delhi is inviting faculty fellows from various Engineering and Science Institutes and Colleges in India other than IIT Delhi to come and spend summer (May-July, 2017) for doing research under the guidance of a faculty mentor of IIT Delhi. The objective is to facilitate and orient the faculty fellows to undertake research. The faculty fellow will get an opportunity to interact and work with the faculty mentor and his/her research students and get exposure to the equipment and lab facilities associated with the faculty mentor. Access to other general facilities such as the central library would also be feasible.

About the programme

Faculty Mentors	A list of faculty mentors from the various departments at IIT Delhi will be notified, on our website (http://cepqip.iitd.ac.in) by March 17th, 2017 along with a brief profile of their research. The prospective candidates may select a faculty mentor depending on the match of their research interests and of the faculty mentor. To facilitate the process prospective fellows are requested to indicate up to four preferences for faculty mentors.
Support	The faculty fellows will be provided subsidized campus accommodation. Hostel Accommodation: Rs.280/- per day per head (includes boarding and lodging –with mattress but no bed sheets) Note: The campus accommodation is available only in the period May 15, 2017 to July 14, 2017.
Eligibility	The faculty fellow should be a regular faculty. The preference will be given to those who are considering higher studies (Masters/PhD) in the near future.
