CERTIFICATE

This is to certify that Ms./Mr. _____
is an employee of our organization and is
permitted to attend the short term course on
'Safety Management for Construction
Projects' conducted by IIT Delhi in online
mode from 9th Nov. to 13th Nov., 2020.

Signature of
participant

Signature of authority
with official seal

IMPORTANT DATES

23rd Oct, 2020 Last date of receipt of
application form and certificate
with registration fee

30th Oct, 2020 Intimation of selection to the
applicants

IIT DELHI PROFILE

Indian Institute of Technology Delhi is one of the twenty three Institutes of Technology created as centres of excellence for higher training, research and development in science, engineering and technology in India, the others being at Kanpur, Kharagpur, Madras, Bombay, Guwahati, Roorkee etc.,. Established as College of Engineering in 1961, the Institute was later declared an Institution of National Importance under the "Institutes of Technology (Amendment) Act, 1963" and was renamed "Indian Institute of Technology Delhi". It was then accorded the status of a deemed university with powers to decide its own academic policy, to conduct its own examinations, and to award its own degrees.

The Institute was inaugurated by Prof. Humayun Kabir, the then Union Minister for Scientific Research and Cultural Affairs on August 21, 1961.

CIVIL ENGINEERING DEPARTMENT

One of the primary Engineering Departments of the Institute, the Department of Civil Engineering offers B. Tech., M. Tech. and Ph.D. degree programmes. Doctoral and Post-Doctoral research is offered in the following areas:

- Engineering Geology
- Environment Engineering & Management
- Rock Mechanics
- Soil Mechanics & Foundation
- Engineering
- Marine Geotechnology
- Structural Engineering
- Surveying & Remote Sensing
- Transportation Engineering
- Water Resources Engineering
- Construction Engineering and Management
- Offshore Structures

The Department registers M.S. and Ph.D candidates including those under quality improvement programme from sister institutions in all the above areas. Under its Continuing Education Programme, it organizes from time to time, advanced special courses as well as short time refresher courses, both from academic and serving senior level officers in Central and State Government, Public and Private Sector Undertakings.

OBJECTIVE OF THE COURSE

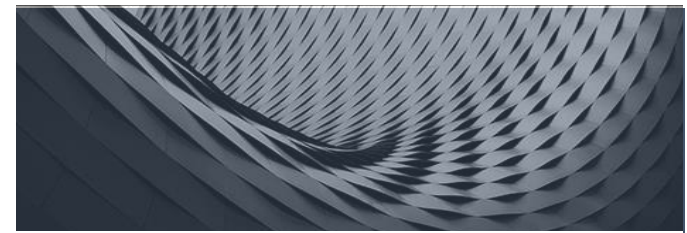

The course is targeted for academia and industry professionals, and it is hoped that a better understanding of the underlying principles, gained by the participants will ultimately lead to diffusion of knowledge in the field resulting in improved and safe construction, quality, and productivity in civil engineering construction.

COURSE CONTENTS

- Accident causation theories
- Safety performance indicators and measurements
- Safety audit and its procedure
- Safety management and policy
- Hazard identifications and risk analysis
- Cost of accident and safety budget
- Cultivation of safety climate and safety culture
- Site visit

EXPERTS

The experts from Civil Engineering Department and TRIPP program of Indian Institute of Technology Delhi, NIT Surat, and leading professionals from India and abroad will deliver the lectures during the short term course.

WHO CAN ATTEND

Faculty members from TEQIP-III affiliated institutions can attend the online TEQIP-III programme.

REGISTRATION FEE

There is no registration fee for the participants, however a refundable security money of Rs. 2000/-needs to be submitted as per the following details:

Account Name	IITD CEP Account
Account Number	36819334799
IFSC Code	SBIN0001077
SWIFT Code	SBININBB547

The application form duly filled by the participants and approved by the competent authority in their parent TEQIP-III institutes needs to reach on the mailing address mentioned in the 1st page of this brochure on or before 23rd Oct 2020 to the mailing address of the course coordinator.
