Indian Institute of Technology Delhi (IITD) is one of the premier institutions in the country and among the top three recognized by the Government of India for the Institutions of Eminence scheme.

IITD conducts the Summer Faculty Research Fellow (SFRF) Programme since 2008 for aspirant faculty fellows from various Institutes and Colleges in the mid of May every year.

The objective is to facilitate and orient the faculty fellows to undertake research. The faculty fellow will get an opportunity to interact and work with the IITD faculty mentor and his/her research students and get exposure to the world-class research matched by world-class facilities. The SFRF programme works as a catalyst for those who are considering higher studies (Masters/PhD) at IIT Delhi in the near future. The SFRF programme duration may range from 04 to 08 weeks during May-July of every year.

Why IITD?

- Internationally acclaimed Faculty
- World class cutting edge research

Our Core Values

- Academic integrity and accountability
- Respect and tolerance for the views of every individual
- Attention to issues of national relevance as well as of global concern
- Breadth of understanding, including knowledge of the human sciences
- Appreciation of intellectual excellence and creativity
- An unfettered spirit of exploration, rationality and enterprise
